

Creative Director: Grace

Designer: Christie

## Meeting 1 Notes (11/3/2021)

- Christie → CS major so has a solid background in coding (flexible/has the technical skill to execute most things I'm probs thinking of -- will let me know if anything seems unfeasible though)
- Potential layout ideas: multipage or single page is okay
  - Rolling carousel for the pages + images → one giant carousel or multiple ones for each topic work as well (will be experimenting with that)
  - Maybe a black/darker background

\*\*Lots of creative freedom though! Will keep in contact about potential new ideas/directions we want this assignment to be taken

- Go for a more editorial look or a more poking fun at the topic/tongue in cheek look? (eg. using Forever 21 font for the page → like this direction! could be interesting; probs will have to see if it will be tonally consistent though)
- I'll be sending over the rearranged copy for the Wikipedia page shortly + adding info if necessary
